

LBAW 2015/2016

Master in Informatics and Computing Engineering
Database and Web Applications Laboratory
Instance: 2015/2016

Database and Web Applications Laboratory (Laboratório de Bases de Dados e Aplicações Web)

In this course, the students will learn how to design and develop web-based information systems backed by database management systems.

"Students are responsible for anything that transpires during a class—therefore if you're not in a class, you should get notes from someone else (not the instructor)". David Maier
